BackRubz has a spacious Redding office with chair massage stations located in the front area, and individual rooms for table massage, including rooms large enough for 2-person massage sessions.

At BackRubz, it's our therapists that make our studio the premium place to get a massage or facial. Our massage therapists have extensive education and many years of experience; we have the ability to complete each treatment scheduled with the exact kind of massage or facial session. Whether its Deep Tissue, Hot Stone, or traditional Swedish Massage, our therapeutic methods sculpt each session into prime treatments for your muscles and skin.
